## Outdoor Curtain Measuring Tips

- Always use a metal tape measure to insure accuracy.
- Measurements must be provided in inches.
- Each panel is sold and measured separately.
- Curtain rods are typically mounted 2" to 4" above opening frame.
- Finished Width will be Measured Width X 1.5; If you desire a fuller panel then you can request the Measured Width X 2.

**Color:** Stock fabric colors - *NEW!* Sheer White, Sunbrella® Camel, Forest Green, Jockey Red, Natural, Pacific Blue, Taupe, and Terracotta. Other Sunbrella® fabric colors are available as "Special Order".

**Mount:** Indicate *Inside* mount or *Outside* mount

**Coverage Width:**

**Inside mount:** Measure from inside edge of window frame - Left to right.

**Outside mount:** Measure from inside edge of your curtain rod - Left to right.

**Given Height:** The vertical measurement from the top of your rod or wire, down to where to where you want it to hang.

**Tie Backs:** (Optional) - Standard measurement 3" x 29". Single \$10.00; Two \$19.95; Three \$29.95; Four \$39.95.
